Breakfast Before the Match -

Attention all shooters that are planning on participating in next Saturday's UDPL Handgun Steel Shoot Match on June 25th. There is a "Chuck Wagon" style breakfast at Wine's Park in Lehi (500 North Center Street) starting at 7:00 a.m. It is **sponsored by the Lehi Booster Club**, and coincides with the local "Round-up" celebration. The menu consists of scrambled eggs, ham, pancakes, and juice or milk. They begin serving at 7:00 a.m. so there will be plenty of time to eat breakfast and get out to the FARM for the match.

So, if you come through Lehi on S.R. 73, leave home a little early and stop for breakfast; or, for those who come south on S.R. 68 (Redwood Road), it is just a short 3-mile detour into town for breakfast. I'm sure it will be much better than your usual McDonald's breakfast!!!
