

UDPL Night Match, BUG, Carbine, Classifier Match Info

June 15, 2013

General Notes

- **No new shooters at the Night Match.** New shooters are welcome to shoot the BUG and Carbine stages.
- **Only current IDPA members can shoot the IDPA Classifier.**
- Setup begins at **10:00 AM**. Please come early and help.
- **We will be using paper scoring for these matches.** Any questions contact Match Director: Ari Theodore atwolf@hotmail.com.
- **You only need to register to shoot the Night Match event at www.udplevents.net.** No online registration is needed for the daytime BUG, Carbine, or Classifier matches.

1. Back Up Gun Match – 2 PM to 7:30 PM

- Stages: **Two (2)**
- Round count: **25 rds**
- Divisions: **BUG only**
- Handguns permitted for use in BUG matches must:
 - o Be single action, double action, double action only, or striker fired.
 - o Be either semi-automatic or revolver.
 - o Be a center-fire caliber.
 - o Barrel lengths:
 - Semi-automatic: 3.8" or less.
 - Revolver: 3" or less.

Note: There is a **Five (5) round max per string**. This means you can only load FIVE (5) rounds total in your gun for each string. Each stage will have several strings. **You can shoot these stages with a full size firearm for fun, but not for score.**

- **Only current IDPA members can shoot the Classifier.**

4. Handgun Night Match – 9 PM to 1 AM (approx.)

- Stages: **Six (6)**
- Round count: **100 rds**
- Divisions:
 - o **Open**: Any gun with a mounted light or laser
 - o **Not Open**: Must use a hand held flashlight for the entire match
- The Night Match **is not an IDPA match. No IDPA membership is required.**
- **You must shoot at least one UDPL match prior to the Night Match. No new shooters** at the Night Match. Exceptions may be made if you are an experienced competitor from out of town, email Ari Theodore, atwolf@hotmail.com.
- Lights and lasers may only be installed or removed from the gun in a safe area, or under the direction of the Safety Officer.
- If your gun with light/laser will fit in your holster, you'll run the match normally, keeping your gun unloaded and holstered when you're not the shooter. If your gun with light/laser won't fit in your holster, you will use your shooting bag as a holster. The gun must stay in the bag until you are told to Load and Make Ready.
- There will be no orange cones/muzzle safe points at this match. We're using a 180° rule on all stages. Watch your muzzle direction!
- SO's all have chemlight necklaces. **Be mindful of your SO's location when you are the shooter.**
- **When driving around, please use parking lights or no lights if possible. Drive slowly, pay attention!**
- Light discipline – **Unless you are the shooter or the SO, keep your lights off once the shooter is at the line.**
- Several of us will be camping at the range after the match, and finishing the match clean up in the morning. You are invited to join us!
