

UDPL 2006 Annual Membership Dinner/Meeting – Minutes

Meeting held on Saturday, February 4, 2006 at 5:00 p.m. at the Buffet King restaurant in Orem. All who attended were able to enjoy a generous offering of Chinese, American and other ethnic foods from the buffet.

There were seventeen UDPL members and their spouses/family totaling thirty-two people who attended.

Conducting – Pat Zaccardi – 2005 President

Agenda items:

▪ **Financial Report/Discussion – Red Redford**

The Club Treasurer, Ken Collins, could not attend the meeting and asked Red Redford, Club Secretary, to cover this portion of the meeting.

Red reviewed the income/expenses for 2005 and indicated that we completed the year with enough funds to meet all expenses with some surplus. Financially, the Club appears to be in good shape.

Tax Exempt Status -

Red also indicated that, with the help of Stephanie Grimes, the necessary documents were submitted to the IRS to request a complete tax exemption for the club. It is estimated that it will be at least six to eight weeks before we hear anything back from the IRS. Red will continue to check on this.

Match Attendance Summary Review –

Red also reviewed the match attendance for the 17 matches in 2005:

- **Total number of shooters who participated = 648**
- **Average number of shooters per match = 38**
- **Highest number = 70 (July Night Shoot), Next highest= 55**
- **Lowest number = 24 (Nov Handgun Match)**

▪ **Officer Elections for 2006 – Red Redford**

Red led the discussion and ballot vote for the UDPL Club Officers whose names were placed on the Ballot for 2006. It was noted that the ICORE Match Director position with the name of Mark Terry had inadvertently be left off the ballot and a motion was made to accept those on the ballot, with the addition of Mark Terry, as Club officers for 2006. The voting was unanimous in favor. (See the final officer roster at the end of these minutes.) Thanks was also given to all of the officers for their service in 2005.

▪ **Misc. Topics**

New 3-Gun Rules – Pat Zaccardi

Pat gave basic information about the new 3-Gun rules and why we will require the use of chamber safety flags for all rifles and shotguns that are used in future 3-Gun events. This will further the efforts of the Club to help ensure the safety of all participants and spectators who attend these events. (An example of the safety flag can be viewed at:
<http://www.dpmsinc.com/10Expand.asp?ProductCode=FLAG-01>)

Red will order the new flags so that they are available for the next 3-Gun match in March. The flags will be for sale to all shooters for a nominal fee (probably about \$1.00 each).

There have not been any negative comments from the membership on the new rules and, as a result, will be adopted as of the date of the membership meeting. They will also be posted on the UDPL Web site as the governing rules for all future 3-Gun events.

Match Schedule/Review – Pat Zaccardi

Pat led a review of the match schedule for 2006:

3-Gun Events: March 18th, June 17th, September 16th, New Year's Day

Night Shoot: July 22nd

Similar format as last year:

- Pistol or 3-Gun
- No timers
- Scored on points down only
- We'll start earlier with the goal of everyone driving away at or before 12 midnight.

Rifle/Carbine Match: May 27th

ICORE Matches: March 25th and October 28th

Mark Terry encouraged everyone to participate in these matches and ensured everyone that they will be just as challenging and enjoyable for the auto shooters as they are for the revolver shooters. He also encouraged everyone to try their hand at a wheel-gun for an enjoyable addition to their other shooting experiences.

General Handgun Matches:

Mike Rodriquez took a few minutes and encouraged everyone to offer suggestions for courses of fire and thanked all who acted as Safety Officers for any of the matches. It was also mentioned that matches that are designated as a **Handgun/IDPA** matches will offer regular handgun stages and include two designated IDPA stages for those IDPA members who wish to shoot the match as an IDPA competitor. This will help to meet the Club requirement to hold six IDPA matches per year, as well as allow all shooters, non-IDPA and IDPA shooters, to participate in each of these events.

State 3-Gun Match:

Although this event was inadvertently left off the general agenda and not discussed, it is proposed that we delay this event until next year.

▪ **Summer Family BBQ – Red Redford**

The tentative date that is set for the Annual UDPL Family BBQ has been set for July 8th. Red will try and obtain a reservation for the same pavilion near the Orem Fitness Center that was used last year. Kent Redford has volunteered to head up this year's event. Thanks was also given to Scott Stone for heading up last year's event.

▪ **General Discussion – Pat Zaccardi**

There were no additional items of discussion and the meeting was adjourned until next year.
