When: Saturday, May 28th. 8 a.m. Sign In

Where: The FARM

Rifle Match Specifics -

This is a **3-gun style match** to be shot **using a carbine or full size rifle**: i.e. an AR15, AK47, M1A, FAL, etc.

In addition to this, shooters who would like to use a .22 rifle like a Ruger 10/22 or a pistol caliber carbine are welcome to shoot these as well.

Divisions include:

- 1) **IRON** = Iron sights
- 2) **OPTIC** = Includes red-dots and magnification scopes of 2X and up
- 3) **Non-high power** (Includes rimfire rifle and pistol caliber carbines.)

The ranges of the rifle match imitate the ranges we shoot at a 3-gun match:

Close: 10-25 yds

Medium: 25-75 yds

Long: up to 200 yds – a stretch for .22 rimfires

There will be **7 stages** with a **minimum Vickers round count of 16 rounds per stage (112 rounds minimum)**. **Bring extra!!!**

We are using the Scrambler and shooting towards the City Limits, so after the squads break up to shoot, **NO VEHICLES WILL BE ALLOWED IN THE UPPER PARKING AREA WEST OF THE CLUBHOUSE**. Please park down below.

IDPA Side Match -

Immediately following the rifle match, we will hold an official **two-stage IDPA match** that will qualify as one of the 6 IDPA matches per year necessary to meet the IDPA club requirements.

It will be **backup-gun friendly** in that **each string will only require 4 rounds each**. **Minimum rounds will be about 16 for the match**. **It is Vickers, so bring some extra rounds**.

Both stages should move quickly and should not take more than an hour after the rifle match.

This would be a good opportunity to shoot up the ammo in your pistols that you use for daily carry.
