

# Details for the September 22<sup>nd</sup> UDPL Handgun “Super Shoot” –

Mike Rodriquez and Mark Terry have been working on the plans for the **September 22<sup>nd</sup> Handgun “Super Shoot”**. This event will be an all-day event and will include the following format:

**Match Fee – \$15.00 whether a UDPL member or not, or New Shooter**

**Stages – 10**

**Round Count – 250 to 300 Minimum**

- Approximate stage round count will be between 25 to 30 rounds. Shooters need to be sure that they have sufficient magazines or speed loaders to accommodate this round count.

**Divisions and Equipment –**

- Normal handgun match divisions will be included with an additional Junior Category for adult supervised shooters age 17 and under.
- Handgun divisions include:
  - **TRM** = Ten Round Maximum; no optical sights
  - **HiCAP** = Hi Capacity magazines of more than ten rounds; no optical sights
  - **REV** = Revolver with 8 rounds maximum capability and standard open/iron sights
  - **REVOP** = Revolver with 8 rounds maximum capability and optical/laser sights
  - **OPEN** = Anything goes within the bounds of safety
  - **JR** = Junior Shooters 17 and under
- Junior shooters may use any appropriate handgun of any caliber, however, **adult shooters will not be considered for a certificate/trophy if they use a .22 caliber firearm.**
- As with any UDPL event, only strong-side holsters will be allowed and the match will be conducted as a “Cold Range” event – no ammo in the gun until called to the firing line and told to “load and make ready.”
- Once the shooter is initially “gunned up”, firearms can only be handled when called to the firing line or in the designated Safe Areas of the range.

**Certificates/Trophies –**

- Certificates or trophies will be given to the top three places in each of the normal handgun divisions as well as the top three places in the Junior Category.
- Only the top three junior shooters will be recognized no matter what weapon or caliber used.
- The winners of each division/category **will not** be recognized at the conclusion of the match, but, as with other UDPL events, will be posted with the results the following week.
- Certificates/Trophies will be prepared and given/shipped to the winners as soon as possible after the event.

**Schedule –**

- **Registration** = 7:30 to 8:30 a.m. (Note that **shooters will not be allowed to register after the 8:30 deadline.**)
- **New Shooters Orientation** = 8:30 a.m.
- **Pre-Match Safety Meeting** = 9:00 a.m. after which the match will begin and continue until 12:00 noon.
- **Lunch Break** = 12:00 noon to 1:00 p.m.
  - All shooting will stop during the lunch break period.
  - Each shooter is responsible for any and all food items and something to sit on. UDPL WILL NOT supply or make available any food or drink items.
- **Prize Drawing** - During the Lunch Break, a random prize drawing will be held for all registered shooters.
- **Match Continues** = 1:00 p.m. until its conclusion.
- Match results will be posted the following Monday or Tuesday.
