

2005 UDPL Summer Family Picnic - -

The **2005 UDPL Summer Family Picnic** is scheduled for **Saturday, July 9th** from **11 a.m.** to **2 p.m.** at the park just south of the Orem City Fitness center (**See Map Below**). The park is adjacent to a fully equipped playground for the kids.

This is a chance for all shooters and their families to come together and do something besides make loud noises with firearms. I'm sure there will be plenty of "gun talk", but the real purpose is to have a fun day getting acquainted with each other and to "meet the family". Everyone bring the spouse and kids, have some good food and fun, and enjoy the day with some great people.

The Club Officers have decided that **the picnic will be paid for by the Club and be open to all shooters who participate in UDPL events and their families, not just to UDPL members.**

Scott Stone and Kent Redford are organizing the event and they told us that **steak, hamburgers and hotdogs** are on the menu – plus all the trimmings. **However, in order for this to be a success, please RSVP and let us know how many will be attending so we can adequately plan for enough food and fun.**

Please let us know if you will be coming and how many will be in your family ([Signup](#)).

Please reply A.S.A.P., but no later than Wednesday, July 6th.

See you there!!!

**Orem City Fitness Center Park
581 West 165 South
Orem, Utah**
