#### NOTES:

1. Shooter may only use the magazine's that are on the table to reload their gun.
2. Targets can be shot in any order at shooting positions.
3. Once a shooter leaves a position he cannot return to that position but may re-engage targets from another position.
4. The magazine in the gun and the 2 magazine's on the table are the only magazine's the shooter can use.

**Because there were so many shooters, Stage 7 was added, but no COF Layout was created.**
