Notes:																												

Notes:

PDS = Points Down Seconds value is the total of all target hits, misses and penalties that are added to the Stage String Time based on the following values:

A-Hit = +0 seconds; B-Hit = +1 second; C-Hit = +2 seconds; X-Hit = -1 second
Misses on either paper or steel targets = +5 seconds; Procedural Penalty = +5 seconds

Extra Shots fired on limited strings = +5 seconds; Extra Hits on a target from a limited string = +5 seconds

\*PINY = Divisions: IC-L = Revolver -8 round max, no polics: IC-D = Revolver -8 round max, volptics; Comps, etc.

\*PINY = Divisions: IC-L = Revolver -8 round maximum: HiCAP = High capacity mags, no optics or compensators: OPEN = Anything goes - within the bounds of safety

DNF = Did Not Finish

Notes:

PDS = Points Down Seconds value is the total of all target hits, misses and penalties that are added to the Stage String Time based on the following values:

A-Hit = +0 seconds; B-Hit = +1 second; C-Hit = +2 seconds; X-Hit = -1 second
Misses on either paper or steel targets = +5 seconds; Procedural Penalty = +5 seconds

Extra Shots fired on limited strings = +5 seconds; Extra Hits on a target from a limited string = +5 seconds

\*INU = Divisions: IC-L = Revolver -8 round max, no optics: IC-D = Revolver -8 round max, woptics: Comps, etc.

TRM = Ten Round Maximum; HiCAP = High capacity mags, no optics or compensators; OPEN = Anything goes - within the bounds of safety

DNF = Did Not Finish
? = No Division Selected
